

ROMAILA

TOLEDO

100% ROMAILA 2019

ALCOHOL CONTENT: 14%

VARIETIES: 100% Garnache. **Organic wine.**

PRODUCTION: 3.502 bottles

DESCRIPTION

The **100% Romaila** wines will be single-varietal from one of the varieties from our estate, so each year we will try to make it a different wine, which means that 100% Garnacha like this year's will never be repeated again. The **100% Romaila** de Garnacha has a medium layer, cherry color and purple iridescence. Wine aged in French oak barrels, where it remains for 14 months..

NOSE

Wine with aromatic intensity, with a marked fruity character, provoking memories of blackberries, sour strawberries and violets.

Aromas of well-integrated wood with dairy touches of toffee

PALATE

Wine with a light structure, a pleasant and sweet entry, elegant acidity.

Subtle bouquet reminiscent of violet candy.

The soft tannins, thanks to its maturity, give it a velvety palate, with persistence.
